

# UAGC FAMILY EVENTS

Children ages 5 to 12 and their families are invited to join other young, eager scientists for educational and entertaining evenings of science and discovery.

(Each event listed below will be the same presentation.)

**SPIN! POP! BOOM!** presented by **Mad Science of Greater Salt Lake**. The audience will be amazed when the Mad Scientist is able to defy gravity in this energetic and spectacular show. Steaming chemical reactions and melting heads will introduce children to the world of exciting chemistry.

UAGC Family Events are FREE for UAGC members. Join UAGC ([www.uagc.org](http://www.uagc.org)) for \$20 and bring the entire family to all Family Events during the year for free. \$15 per event per family for nonmembers.
