## Principal's Message

Dear Parents,

Welcome back after a nice holiday break. We hope you enjoyed some extra time with your family.

Winter has once again settled in our Ridgeline community. With this, we want to remind you of some of our cold weather procedures. If the temperature drops below 22°, including the wind-chill factor, it will be declared an inside day. There will be two flags on the front side of the building. **If the flags are green, please come inside using the front doors.** Lower grades will stay in the front kiva and upper grades will be in the gym. Our playground supervisors will be with the students during this time. **If the outside flags are red, please stop and go to the back of the school for supervision until the bell rings.** When the bell rings, students will go to their assigned areas and brought to the classrooms by their teacher. **Please do not drop off students before 7:45am or 9:00am. We have only assigned supervisors 15 minutes before our tracks begin.**

Most days will be outside days where the students can play and exercise before their school day begins. Please make sure students are dressed appropriately as there are cold days ahead of us.

**Our loading and unloading procedures remain the same on green and red flag days. Always pull forward to drop students off at a curb. Never pick up or drop off from the drive-through lane. Please move forward to allow more curb area for loading and unloading.**

Parents and students using the front entries, please be sure to wipe your feet on the carpets and mats and stay on the carpet and mats as much as possible. The snowy and wet shoes can leave water on the tile that can become very slippery.

Thanks for the great support you give to your children and Ridgeline Elementary.

Thank you,

Ken Higgins, Principal
