Principal's Message

Dear Parents,

As we come to the close of another school year, I want to thank you for your continued support of Ridgeline Elementary. This has been a wonderful year. It is a great privilege to work with you and your children. There are a number of items I would like to address about these last few weeks of school:

Beginning Monday, April 29, Criterion Reference Tests (CRT) will commence. It will continue through May 21. You can help your child during the testing process by: making sure he/she is in attendance at school; gets a good night's rest; and eats a good breakfast. I appreciate your assistance.

In order to plan our staffing requirements for the next school year, you can help by letting the office know if your student(s) **will not** be attending Ridgeline because they will be attending another school or are moving. A letter in this regard was sent home on April 24 and was also included in our E-Communication. Please contact the office if you have not already let us know if your child IS NOT attending Ridgeline next year.

Also, if you have a kindergarten student starting school next year and have not registered, please call the office at (801) 717-4515 for more information. Having a more accurate projection of our kindergarten students also helps us in planning our staffing. If you know of someone who will have a kindergarten student next year who may not have registered, please pass along this information.

I would like to thank our School Community Council for their service this year. They have been a great asset to our school in helping build communication with our parents and advising and voting on spending of School Trust Land funds. The council has consisted of myself, two teachers (Mr. Shirley and Ms. Russell), and five parents. Those parents were Veronica Reginato, Jennnifer Fairbanks, Ashleigh Spencer, Shanna Carrol, and Mindi Beck. If you would like to be considered for the School Community Council, please complete the form that was sent home of April 24 and was included in our weekly E-Communication. The form must be returned to the office by Wednesday, May 1.

Veronica Reginato has served as our PTA President this year. She has done a tremendous job and I want to thank her for the countless hours she has contributed to the school. All of our volunteers are greatly appreciated. They help our school be the wonderful school that it is. Thank you! Thank you! Thank you!

Sincerely,
Ken Higgins, Principal
