## Principal's Message

We have experience a great start to the new year as students, teachers, and parents have gone above and beyond to start off the year on the right foot.

Our focus as a faculty is to improve student learning through effective grade level team collaboration. As teams work together as a Professional Learning Community to create the ideal learning environment for students, create learning targets, formatively assess learning throughout the learning cycle, provide students with timely feedback and appropriate interventions, and engage students with applicable content. As we do so our students will continue to be successful.

Our motto this year is "You Make the Difference" to encourage each and everyone of us that we can have a positive impact on those around us. From teachers, students, parents, staff, and patrons we all make the difference in helping those we come in contact with to be the best they can be!

Thank you for your support and dedication as we work together to ensure learning for all our students.

~Mr. Rowley

## Character Connection

The characteristics we will focus on this year are: conflict resolution, courtesy, dependability, friendship, cooperation, honesty, accountability, self-control, and worth.

The character connection program will be introduced to the students on September 8<sup>th</sup> in our opening assembly. Each month we will present the characteristic we are learning for that month and also reward those students who have completed the character goal from the previous month during the assemblies.

In October our students will be learning and setting goals about Courtesy.

The motto for the month is: "*Life is short, but there is always time for courtesy*", by Ralph Waldo Emerson  
*"He who sows courtesy reaps friendship, and he who plants kindness gathers love."* by St. Basil
