## Character Connection March – Perseverance

During the month of March our character connection trait is perseverance. As we start our final trimester of the year we want kids to learn that they can continue working hard, and finish off the year strong. Perseverance means to not give up if something is difficult, to “hang in there” and keep trying, even if you make mistakes. This month we will again be having a reward for the class in each grade that turns in the most character connection checklists. Ask your child how you can help them complete their checklist this month.

These will be the last days you can purchase tickets at the school!

DVDs are being pre-sold until Thursday March 5th. You need to bring a check for \$25 each to pre-purchase a DVD so that if we don't get the 25 copies we can shred the checks. We are really hoping to get the 25 copies!! We are about half way there.

Tickets can also be purchased on the PTA blog online.

Tickets will be available through PayPal at the pre-order price until Wednesday March 11th at midnight.

If you miss the pre-sales events, or you have family that isn't sure if they can come, don't worry, you can still purchase tickets at the door. The cost goes up \$1 a ticket at the door.

Each child in the play gets one free adult ticket. Please come and pick it up before March 5th. If you can't make it to the school during the times we are selling tickets then please email [shiree0226@gmail.com](mailto:shiree0226@gmail.com) to make other arrangements. If you don't pick up the ticket next week or make other arrangements, you won't be able to just pick it up on show night.

Finally, if you have a student in the Show Opener they are allowed to come and sit with you after they perform without a ticket, as long as you have a ticket. If you don't want to stay and watch the show then please pick up your student and take them home. Thanks!
