

Hogwarts 2024 Muggle Manual

The info you need to maximize your magical experience

Hogwarts (October 25th 6:00-9:00) is Sage Hills PTA’s biggest event of the year – a night to excite kids about the magic of learning. Families can enjoy science, math, art, writing, and more with Harry Potter-themed hands-on activities. Diagon Alley shop items cover the cost of our presenters and fund PTA events throughout the year. There’s so much to see and do – please review this guide so you don’t miss a minute of fun!

Gringotts Bank

Galleons are wizard money! At Hogwarts you can use them to purchase shop items in Diagon Alley, snacks at 3 Broomsticks, butterbeer at the Leaky Cauldron, and Owl-o-Grams to send notes to friends. Though most of the classrooms with learning activities are free, there are a couple that do take galleons. We use galleons so our student helpers don’t have to handle muggle money.

For those who have pre-ordered galleons, your student will be bringing them home on Wednesday October 23. If you didn’t get the change to preorder, come to Gringott’s bank and purchase them at a rate of \$2 for 4 galleons with card, cash or check.

Snacks and Such

Soda, bottled water and popcorn will be available at the 3 Broomsticks Snack Shop upstairs in the kiva. At the Leaky Cauldron (outside on the blacktop) try some butterbeer! Everything in these shops are 2-4 galleons. Please do not bring open drinks into the classrooms.

Closing Time

As part of the in-school House Cup Competition, teachers, students and parents have decorated every hall to represent their house colors. Be sure to enjoy all the creativity as you walk around! All activities will end at 9pm – please make your final purchases before that time. Anyone who can stay and help clean up will be most welcome! Meet in the gym to coordinate cleanup.

Diagon Alley

Diagon Alley is made up of 4 shops located upstairs and downstairs at the north end of the school. Although the rooms are uniquely decorated, they **ALL WILL CARRY THE SAME ITEMS** for your one-stop shopping convenience! Come early – favorite items go fast! A flyer of shop items and their prices is included.

Additionally, in the Magical Enchantments room you can purchase a temporary tattoo for 1 galleon. The Potions classrooms have 2 potions you can make; ingredients cost 1 galleon. And in the Owl-o-Grams room you can write a note to a school friend and have it delivered with a treat for 2 galleons.

Hands-On Learning Activities

Magic Show

Jason FUN Magic will stun you with his sleight of hand! Shows will take place in the gymnasium at 6:30, 7:00, 7:30 and 8:00. Doors will be closed between shows so please come on time!

Chamber of Secrets

Explore the latest secrets in the world of robotics and circuitry, hosted by Utah Valley University!

Seeker's Snitch

Can you snatch a snitch – or catapult one across the room? See if you have what it takes to be a Quidditch seeker!

Astronomy

The stars have aligned tonight – create constellations and learn to find your favorite stars!

Owl-O-Grams

Come visit our owlery to meet a real live owl and send an owl-o-gram (complete with treat) to a friend! Cost is 2 galleons; letters will be delivered in school the next week.

Quidditch

Although our brooms don't fly, we have come up with a fun way to play Quidditch. Come home your skills with a Quaffle – and with math!

Herbology

Learn horticultural hocus-pocus with games on plants, butterflies and more! This room is Mandrake-free, so no earmuffs required.

Wizards Chess

Take a break from the crowds and practice your skills in wizard's chess and checkers. May the best witch or wizard win!

Potions

Bubble, bubble, toil and trouble – buy potions ingredients on the double! (Cost: 1 galleon.) Two types of potions are available to whip up.

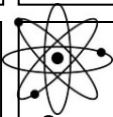

Photo Booth

Say cheese! Props, backgrounds and Cosplay characters are here to help you capture your own stunning Harry Potter photos.

Wizards Tournament

Kids 4th grade and up solve clues to escape this room of magical mayhem! Wristbands are required; they are available outside the school starting at 5:45 (1st come 1st serve).

Transfiguration

Can you levitate objects? Slow them down? Perform magic of your very own with these awesome hands-on physics experiments!

Divination

Will Madame Trelawny make a prophecy this night? Find out your future with Tea Leaf Reading Math, Pattern Prophecies, and Cootie Catchers.

Charms

Lumos! Perform hands-on science experiments to play around with objects that glow in the dark!

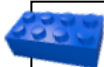

Care of Magical Creatures

Touch and learn about some special live animals! Be sure to check out both rooms – there are different creatures in each one.

Room of Requirement

Is Mars unusually bright tonight? Come learn the mysteries of the cosmos with BYU's Astronomy Club!

Ghoul Studies

Your most magical tool is not your wand – it's your mind! Put yours to the test with Lego challenges provided by Snapology.

Arithmancy

Solve Snape's Riddle, reveal a mystery picture, see a math magic trick, estimate Every Flavor beans, and more in this math games room.

Apothecary

Discover the secret muggle ingredient in each of these wizarding potion ingredients.
