May the Best House Win

The Hogwarts house cup competition will take place at Sage Hills from September 30th to October 25th. Professor McGonagall will kick things off with an assembly, and students will help earn house points through 5 competitions: a weekly trivia, class points in specialties, Pottermon Go, a reading challenge, and wearing house colors on Fridays. Look for a paper to come home to students to track reading minutes, and encourage your young wizards and witches to dress in their house colors!
