ELEMENTARY

# KINDERGARTEN REGISTRATION

<https://alpineschools.org/registration-enrollment/>

Kindergarten registration is  
January 13th - April 30th.

Go to the website listed above and complete the  
registration packet.

Please use a computer, rather than a phone, to  
access this and make sure to scroll all the way down  
to answer every question.

When you have completed the online registration,  
please call the office (801-610-8723) to let us know  
which kindergarten option you would prefer.

Immunization Records or Exemption

Custody Paperwork, if applicable

Proof of Residency

We need either a mortgage/rental statement or a utility bill.  
If using a utility bill, it should be a water, gas, or power bill.

Contact us with questions:  
801-610-8723

**You will need the  
following documents:**

Birth Certificate

## Subject: Kindergarten Registration Options - 2025-2026

As part of our commitment to providing flexible and accessible educational options, we are pleased to offer several Kindergarten enrollment choices for the upcoming school year. Below is a guide to help you navigate the registration process and select the option that best fits your child's needs:

### **Full-Day Kindergarten Registration**

Students attending full-day kindergarten will follow a schedule equivalent to the other grades in the school. They will receive comprehensive instruction on the state-approved standards in all content areas, including the arts, PE, and library.

### **Half-Day Option Within a Full-Day Model**

Students attending a half-day kindergarten option within a full-day kindergarten class will attend school for part of the day as determined by individual schools and will receive instruction that prioritizes the state-approved standards for the content areas of English language arts and mathematics as required by R277-730. Please note that midday transportation will not be provided for those attending half-day kindergarten options. Students enrolled in this half-day program, offered within a full-day framework, have the option to transition to a full-day class.

### **Half-Day Class**

Students attending a half-day kindergarten class will attend school for part of the day as determined by individual schools and will receive instruction that prioritizes the state-approved standards for the content areas of English language arts and mathematics as required by R277-730. Please note that midday transportation will not be provided for those attending half-day kindergarten options. Students enrolled in this half-day class will not have the option to increase to a full-day class. A minimum enrollment expectation is required to carry this class. The registration deadline for this half-day class is **April 30, 2025**. If you register for this class and it does not meet the minimum enrollment requirement, you will be notified after the registration deadline.

### **\*HB0331 School and Classroom Amendments**

Beginning with the 2024-25 school year, all students are required to be **toilet trained** before enrolling in kindergarten. Please specify during registration whether your child is toilet trained or needs additional communication and support.

This information helps clarify the registration process for our Kindergarten programs. Our goal is to provide flexible options that meet the diverse needs of our students and their families. If you have any questions or need further assistance, please don't hesitate to contact your school's principal.
