## Keynote Speaker

**Anne Arendt**

### Professor & Department Chair — UVU Technology Management

Anne Arendt is an associate professor and department chair in Technology Management at UVU. Anne has been at UVU for 15 years and has served in the role of interim associate dean in the College of Technology and Computing and is currently the faculty senate interim vice president. Anne has a Doctorate of Education in Higher Education from Utah State University, a Master of Business Administration in Information Systems from Carlson School of Management at the University of Minnesota, a Master of Science in Educational Change and Technology Innovation from Walden University, and a Bachelor of Arts in English from the University of Minnesota.

Anne is a champion for education and believes it provides tools to make informed decisions, synthesize ideas, formulate and achieve life goals, and critically evaluate relevant issues. While education is not made for guarantees, it is most certainly made for opportunity creation and is an avenue to help you define and determine your future. She advocates that you have value, you have a voice, and you have choices!
