Principal's Message

Another exciting year is about to begin and I can't wait to see all the kids. I truly have missed them. I find myself missing the time I spent visiting with students (even when I am coaching them about how to make better choices), because that is what I love most about my job. I can't even begin to express the emotional connection I have with our beautiful children at Sego Lily—I LOVE them all so much. I remember waking up in the middle of the night last week thinking about a new character trait that I want to teach the kids this fall. I am so privileged to have the best job on the planet, because I work with the very best teachers, students, staff, and parents. Thank you all so much!

Introducing Sego Lily Spirit Sticks

Rewarding student achievement is crucial at Sego Lily. It is our desire to find ways to reward students by providing non-food incentives. As a result, our school will be launching a school-wide program titled, Sego Lily Spirit Sticks. These incentives will support our desire to promote healthy bodies and minds. Spirit Sticks are small-embroidered tags that are attached to a spirit key chain ring. Students may place their Spirit Rings on their backpacks, so they may collect their spirit sticks throughout the school year. Spirit Stick incentives will include: Red Ribbon Week, Box Tops, birthday celebrations, perfect attendance, reading, and much more! Spirit Sticks promote school spirit and participation by providing meaningful extrinsic rewards with lasting value beyond the school year.
