

Principal's Message

Dear Sego Lily Parents,

The New Year is an opportunity for a new beginning, a new start, and new resolve. This is a wonderful opportunity to set new personal and professional goals. It is also a time of year to reflect on past performance. I value the relationships we share and look forward to the New Year as another opportunity to improve and make positive changes.

As we begin the New Year, I look

forward to our continued weekly collaboration where teachers answer the Four Essential Questions of Professional Learning Communities:

1. What do we expect students to learn?
2. How will we know what students have learned?
3. How will we respond to students who aren't learning?
4. How will we respond to students who already know?

Teachers making a difference through PLC's

I have been impressed with the level of teacher commitment towards this process. Teachers collectively analyze student data and respond to the Four Essential Questions.

December Students of the Month

For the month of December, students were recognized for being a friend in our Character Counts assembly. These students received a Student of

the Month certificate and free kids meals from Applebee's and the Brick Oven. They also received a free activ-

ity coupon from Classic Fun Center. Way to go students!
