

3rd Grade Science/Science Studies Spirit Stick Report

Name _____

Teacher _____

Date _____

Topic _____

First, choose a topic that we have studied during science and social studies.

- Heat and Light
- Incas
- Living and Non-living Things
- Stars, Planets, and Moon
- American Citizenship (symbols, Constitution, Lehi history, etc.)

Second, research your topic and write a 2-page report. Make sure to write in complete sentences, check spelling and punctuation. Use your best handwriting or type on the computer.

Third, add something visual to your report. You could draw a picture, make a diorama, or create a craft or model. Be creative!
