WatchDOGS seeks dads

The PTA recently decided to sponsor the nationally recognized WATCH D.O.G.S.® program, which invites fathers, grandfathers, uncles, or other father figures to volunteer at their child's school.

WatchDOGS volunteers may perform a variety of tasks while volunteering including monitoring the school entrance and/or hallways, assisting with unloading and loading of buses and cars, monitoring the lunch room, or helping in the classroom with a teacher's guidance by working with small groups of students on homework, flashcards, or spelling.

If you would like to volunteer for a day or just an hour, sign in at the office to receive an assignment.
