Nominate favorite teacher or volunteer for award

The PTA is looking for outstanding volunteers and educators to nominate for Utah PTA's state awards.

If there is an educator or volunteer you think should be nominated, please let us know by sending your suggestions to lemonfam@yahoo.com. To win these awards, we will need personal experiences. Please include a synopsis of what your experience has been with that person and why you think they deserve to be Utah PTA's "Golden Apple Award" recipient.
