

Important Information and Dates

Welcome back! We are so excited to see you all again--parents included!!!

Class list will be officially posted August 15th. The reason it is so late is because we have not hired all the teachers yet. Some of our teachers may be contacting their students to set up DRA testing that will take place before school starts. Others may make a surprise visit. Other than that, the class lists will be posted on the front doors at 5:00 p.m. on the 15th.

Open House: Monday, August 18th 5:00-7:00 PM
