HAVE A GREAT SUMMER!

Principal's Message

By COURTNEY JOHNSON

Last week I received a letter from a former student. As I opened the letter, a ten-dollar bill slipped out and floated to the counter. With my curiosity piqued, I read the handwritten note that explained why he had enclosed the money. He had taken something of mine years ago and felt terrible about it. This young man took full responsibility for his actions.

As members of the Sego Lily community, we are continually surrounded by opportunities to make choices to be kind or mean, honest or dishonest, respectful or disrespectful. With all of our choices, we must face the consequences of our actions and take responsibility for them. Sometimes mistakes are made, and when one chooses to take responsibility for them, they become learning opportunities.

Our final Troll Patrol value for the 2014-15 school year is to Be Responsible. Be responsible for your choices and be responsible for honoring your commitments and obligations with integrity. Honor your parents and teachers. I often tell children that being responsible will help them earn respect from others and make them feel happy. After all, building relationships and displaying pro-social behaviors is another secret to happiness.

Kindergarten Graduating Class of 2015

The Class of 2015 kindergarteners shared a delightful program of song and memorized parts highlighting their year of learning about letters, sounds, numbers, money, weather, science, and history. Way to go graduates!

PLAY UNPLUGGED

Turn Media Off...Turn Life On

Play Unplugged is all about encouraging kids to put down their electronics and get out and play. This is done by creating a symbiotic relationship between kids, parents, and the local community. This relationship creates an incentive for all to participate as one motivates the other.

It all begins with motivation that works. The kind that gets kids playing and active without them even knowing it. This motivation is based on a reward mechanism that excites kids. We call it a Brag Badge. Kids earn a Brag Badge, awarded from community sponsors, for every activity they complete. The badges are specifically designed to be fun, colorful, and highly collectible.

With your parents permission, go to: www.WePlayUnplugged.com

1. Click on "Lets Play, 2. Select the Area Nearest You, and 3. Click on the Brag Badge to Learn More.

Come Nibble and Scribble in a summer Writing Workshop with Miss Bethers on Wednesdays from 1:30-3 pm on June 10, 17, 24, and July 1, 8, 15, 22, and 29th. Cost: \$16 for eight sessions! This workshop is open to all students going into 5th, 6th, and 7th grades and will include writing activities and lessons for summer fun and keeping our skills sharp. Call the office for registration.
