SSCC Actions

- 2012 – 2013 Budget update (expenses thus far, projected expenditures, carry over for upcoming year)

Peggy – the current report says that we started \$3,000 in the hole. This is not correct. We were in the positive. Peggy is working on getting this corrected.

Given 46,046 plus an additional 4,000 from roll over from last year.

Star Reading  
Reading Camp  
Conferences and Subs – registrations and subs.  
Supplies – take home library books

Equipment – money for technology. State is going to adaptive testing next year. CRTs will be replaced by Sage for 3-6.

Kim – have we bought them yet?

Peggy – not yet, we need to buy them soon. We have just been updated with new network ports. These will help with the testing next week.

Asked Erin to bring up to the district that lining up budget, goal, and CRT testing would help out a lot in making goals and budget.

- 2013 – 2014 Goal possibilities

Goals made last year were based on proficiency scores on the CRT. Dave Smith (district data specialist) suggests that we base our goals on growth scores. 45 and higher means there was significant growth. 2011- 4<sup>th</sup> grade median was 58, 5<sup>th</sup> was 63, 6<sup>th</sup> 54. 2012 – 4<sup>th</sup> 48, 5<sup>th</sup> was 63, 6<sup>th</sup> was 57.

We need to determine what a reasonable goal is. There are many changes with new core, new tests, new principal, etc.

Literacy goal for 4<sup>th</sup>-6<sup>th</sup>: maintain a Student Growth Percent of 45 or higher.

Literacy goal for K-3: at least 75% pass DRA.

Erin- are they going to knock us down because we didn't raise the goals from last year.

Peggy – no, they understand this is going on.
