

Read To Feed Food Drive

(November 5th-20th)

This year at Shelley Elementary, we are going to combine two VERY GOOD things....

A Food Drive AND Student Reading

How will it work?

Step 1: (November 5th- 8th) Students will collect pledges from friends and family. A certain number of minutes read = A food item. (See reverse side for pledge form)

Step 2: (November 7th- 15th) Students will read as much as possible before and after school each day and record minutes. *Only reading done outside of school hours counts. (See reverse side for reading log)

Step 3: (November 16th- 20th) Students will collect and turn in the pledged food items based on minutes read. Students will also turn in the reading logs signed by a parent or guardian to their teacher.

Pledges + Minutes Read = Cans of Food Donated

SCHOOL READING GOAL= 250,000 minutes!!!

This means that if each student got a food item for every 30 minutes read, the school would collect over 8,000 food items!

PRIZES

1. In each grade, the class that collects the most food items gets a root beer float party!
2. Whichever grade reads the most minutes gets a Sub-Zero science party!
3. If the school reaches the reading goal, all students will get to watch a movie and have a cookie on the last day before Christmas break.

Students may turn in as many items as they want at any time during the food drive.

Pledge Form

Name of Pledger	Pledge	Total # of Items to Donate (after November 15 th)
	I will donate _____ item(s) for every _____ minutes read.	
	I will donate _____ item(s) for every _____ minutes read.	
	I will donate _____ item(s) for every _____ minutes read.	
	I will donate _____ item(s) for every _____ minutes read.	
	I will donate _____ item(s) for every _____ minutes read.	
	I will donate _____ item(s) for every _____ minutes read.	
	I will donate _____ item(s) for every _____ minutes read.	
	I will donate _____ item(s) for every _____ minutes read.
