Meetings held on the 3rd Thursday of the month at 3:45pm at TM Elementary School

**April 17, 2014**

**March 20, 2014**

**February 20, 2014**

**January 16, 2014**

No meeting in December

**November 21, 2013 - DRAFT**

*Present:* Kimberly Kosorok, Natalie Hill, Rachelle Funk, Janelle Funk, Matt Smith, Ilene Strong, Britt Rhode, April Leder, Austin Cowley

*Not Present:* Dee, Krista, Kristy

Mindy Widdowson from the PTA was also in attendance

1. Brit Rhode motioned to approve the minutes from October and Janelle Wride seconded them
2. Discuss Disbursement of Trust Funds - Principal Strong
  - Natalie suggested that any extra funds go to the Computer on Wheels
  - Should money go to 4th grade flash drives and camera? Yes, as it brings all classrooms up to be equal

General guideline: as long as the funds are used within the same category and meet the goals of the funds, then money can be used at Principal Strong's discretion.

3. Review Last Year's School Improvement Plan - Kimberly Kosorok

4. Discuss testing results - Principal Strong (4:20pm)

- Based on proficiency and growth
- Stakeholder's report
- Moving from CRT to SAGE (Adaptive Testing)
  - SAGE Test in April counts for State. It can be taken twice to practice. (The children can improve as they take it, as they get harder and harder as answer questions correctly.)
  - Austin informed us about this new test.
  - Parents will be able to work with children. Scores may initially be lower.
  - Computer teacher teaches how to type (typing/keyboarding games). Students could practice at home with parents

5. Report on Pre-School & Kindergarten Traffic Drop Off / Pick Up Plan - Principal Strong

(4:44pm)

- We gave name cards to every pre-school parent
- There is now a second light. Principal Strong will send out details with the parents about the significance of the lights and plans for the weather. Kindergarten drive through. (Natalie suggests a third light on the East corner.)
- How are we growing? Current enrollment is around 915 children
- School boundaries go all the way to Micron

#### 6. Discussion Items - Public Comment

#### News

- Jason Chaffetz - came and talked with Students
- Teacher of teachers award - April Leder
- Christmas concert coming up

(Notes should include motions and who seconds it)
