There was a lengthy plan to talk about the School Improvement Plan, possible amendments, and the amount we carried over from last year's budget.

Goal #1—Eighty percent of all students will pass the Directed Reading Assessment (DRA) at their grade level benchmark on the Spring 2015 Assessment administration.

Goal #2—All students will demonstrate either 80% mastery or 25% growth on the Traverse Mountain Grade Level Comprehension Math Assessment by Spring 2015.

Goal #3—Students will submit three grade-level appropriate writing samples into their Traverse Mountain Writing Portfolio. Grade level teams will create the grade-level six-trait writing rubric—Summer 2014. Students will submit a writing sample in August 2014, January 2015, and April 2015 in the following grade-level appropriate formats:

- A. Because of the current SAGE/CRT transition, it is very difficult to get reliable data to prove we have accomplished our goals.
- B. Mastery Connect—We purchased this software with last year's carry-over funds. We will need to use some of the current year's funds to pay the balance.

--April wanted to know if 3rd Grade's writing samples can be done in a different order. After a discussion, the consensus was that it would be fine—order doesn't matter.

6. Austin shared some Good News

- A. PTA has sponsored the WATCH DOGS program at our school. We have 1-2 dads participate each week, and the results so far have been very positive.
- B. Our start of this new school year has been great!
- C. The 6th Grade vs. Teachers Kickball game was a lot of fun.
- D. Our "Zupa's" fundraiser night was productive, and a lot of fun.
- E. The Room Mom Tea was very successful.

7. Traffic Report

- a. traffic changes have been running very smoothly
- b. the Pre-school pick-up system is very successful
- c. the Kindergarten system is not very good. The bottle-neck occurs because of proximity of the driveway to the 4 way stop.
- d. We will research ideas to improve
- e. Ilene will send out an email to advertise the creation of a Kindergarten Pick-Up Safety Committee

8. Lunch Changes

There was a discussion about the new lunch schedule and how it's going.

- a. Zack and Josh report that there is a lot less waste of food at lunch, and also on the playground.
- b. For a while, students were not allowed to sit with friends in order to get hem to clean up better. They currently have earned that privilege back. They are much happier!
- c. We have a plan to be sure to analyze this whole system at the end of the school year and assess the effectiveness of the changes.

9. Time was short, so Kim asked that everyone read the By-Laws and email Kim and Ilene with any concerns or change ideas

10. Ilene will provide a 2013-2014 accounting at the next meeting.

11. Britt Rohde moved that we adjourn

Christina Ahlstrom seconded the motion
