Review of Minutes:

We reviewed the minutes from the last time we met. Christina moved to approve the minutes, Diane seconded, all approved.

Principal review:

\*Ilene reviewed her recent expenditures.

\*October Professional Development will include Houses being shown to all teachers. November 11<sup>th</sup> will be the trip by many of the school faculty to Atlanta for training at the Ron Clark Academy. January the "House" idea will be rolled out to the entire school.

\*Ilene tells of a school in Jordan District who would benefit by our help and she proposes that we make a collection of books and pajamas that we could donate to the school. Ilene also proposes to take a group of 24 6<sup>th</sup> graders to the school between Thanksgiving and Christmas so they can meet the kids and see what it's like. The idea is that they can help other kids get excited about the donation collection.

Other concerns?

- We need soccer goals
- problem of fresh water for the classes in the portables
- Ilene told about the new tables in the lunchroom and about what happened to the sharing table

School Bond Information:

Mindy outlined some information about the upcoming Bond proposal in the next election. Election day is November 8<sup>th</sup>. We have heard that there is a possibility of the bond going toward the building of a new school between here and Micron. She suggests that we look on [alpineschools.org](http://alpineschools.org) for more information.

Good News:

Paul told us about:

- Parent Teacher Conferences next week on Wednesday and Thursday
- Reflections projects are due on October 28<sup>th</sup>
- This week is Red Ribbon Week
- Character Counts Assemblies...this month will be "I care about you..."
- Xactware –30 volunteers came today and spent 3 hours helping out around the school
- Kohl's will come to volunteer at the Book Fair

We adjourned at 4:49 p.m.
