

Valley View Elementary
Class Placement Process 2013-14

My how time flies when you're having fun! It's already time to begin planning for next year. Hopefully, we can address some of your questions about student placement at Valley View for next year.

Class Placement (The tricky part!)

All classes must have equal numbers and be balanced by gender. Classes will be balanced in academic ability and special consideration will be given to problematic behavior combinations.

Student Concerns

If you have concerns that need to be addressed, we ask that you complete a *Student Concern Placement* form. Feel free to give us a written description of your child's academic and behavioral strengths as well as conditions under which he or she learns best. Sometimes parents feel some children should be separated from others. Please include any information you feel would be helpful. These forms can be picked up by an adult in the school office. **Please return the form to Valley View by May 10th, 2012.**

Thanks,
Valley View Elementary
