

# Valley View School Policies

## **Accidents & Illness:**

Whenever an accident or illness occurs, the school will contact the parents or call for assistance at the emergency numbers listed on the Emergency Health Form. In an extreme emergency, the school will take whatever action is necessary to help the child, including hospitalizing the child. Sick children will not be sent home until parents or their designee come to school and sign them out. IT IS EXTREMELY IMPORTANT THAT PARENTS RETURN THE EMERGENCY HEALTH FORM AT THE BEGINNING OF EACH YEAR, AND THAT ADDRESS AND PHONE NUMBER CHANGES BE UPDATED AS SOON AS POSSIBLE.

## **Arriving at School:**

Please do not send students to school early. There is no adult supervision until 8:30 am. If students come for breakfast at 8:00 am, they are allowed in the front doors. When they are finished eating, they should then go back outside to wait for their teacher to let them in at the proper door. In case of inclement weather, students are allowed to wait in the building no more than 15 minutes before school starts.

## **Tardiness:**

Punctuality is very important. Students who are late coming to school or coming in from recesses miss important learning time and disrupt others. Excessive tardiness (5 or more) may be referred to the principal.

## **Attendance:**

Regular attendance at school provides children with the best chances for success and is required by law. If possible, parents should bring a note excusing the absence when they return. Teachers will call home after three consecutive unexcused absences. Excessive absences (5 or more) will be referred to the principal.

## **Checking out for Appointments:**

Checking out a student must be done by a parent or their designee. No one under 18 years of age can check out a student. A child may not leave the school grounds without being checked out. Please come to the office to sign out your child. The secretaries will then call them to the office at that time.

## **Withdrawal/Transfer:**

Moving? Please come in to the office a day or two before you leave and check out your student. Please note that your new school will likely require a transfer form when registering during the year. A checkout form will be provided for you to check out with the Media Center, the Lunchroom (they close at 1:30 p.m.), and the teacher. If you request, we can copy immunization records and birth certificates for you. All other records will be sent to the new school when we receive a request for records.

## **Behavior Guidelines:**

The goals of our policy are to guide students to accept responsibility for their own decisions and actions, to respect the rights and property of others, and to appreciate the value of each individual regardless of differences that may exist. This policy is also necessary to maintain a safe and orderly learning environment. Students should be courteous, honest and hard working. They should also be good sports and play safely. This is appropriate behavior.

### ***Our school guidelines are:***

1. Follow directions the first time.
2. Use hands, feet and mouth to help, not hurt.
3. Build people up, don't put people down.
4. Be in the right place, doing the right thing.
5. Use materials and equipment properly.

### **Positives**

The teacher will teach appropriate behaviors for inside and outside. These behaviors will be positively reinforced by strategies such as praise, positive notes to students and parents, public recognition, special activities, awards, treats, and extra time (recess, games, etc.).

### **Negatives**

When a student is disobedient or disruptive, teachers will point out misbehaviors and give the student a chance to correct them without penalty. If misbehaviors continue, teachers will use strategies such as conferences, change in seating, contracts, behavior tracking, parent conferences, missing activities and staying after school. When a student's misbehavior is habitual, dangerous or extreme, a conference will be held with the student, teacher, parent, and principal. A plan will be developed to help the student correct the problem.

### **Bicycles & Scooters:**

Bicycles may be ridden to school. They must be placed in the bike racks and locked securely until after school. The school is not responsible for lost bikes.

Scooters, Roller blades and Skateboards are NOT allowed at school.

### **Book Orders:**

Book Orders are done by individual teachers and not through the office. Please make checks out to the book club, not Valley View Elementary. Please do not send cash.

### **Breakfast & Lunch:**

**School Breakfast:** will be served from 8:00 am through 8:35 am in the lunchroom. The price of breakfast is \$.85 per meal.

**School Lunch:** is \$1.50 per meal or \$30.00 per month (20 meals @\$1.50/meal). Lunch money should be paid before school.

**Charges:** are allowed in an emergency. When a student's account runs out, his/her hand will be stamped to notify parents that a deposit is needed. One charge will be allowed in an emergency. The charge must be paid the following day. Remember: parents, not the school, are responsible for meals.

**Free/Reduced lunches:** are available to those who qualify. Those wishing to apply for free or reduced lunches may obtain an application at the office or from the lunch ladies.

**Lunch menus:** are published monthly in the PTA Newsletter and on the [Alpine School District website](#).

### **Family Representatives:**

### **Fees & Donations:**

State Law and district policy prohibit assessing fees for elementary school students. Donations are greatly appreciated and will be requested from time to time to help fund programs that would otherwise not be available.

### **Grades:**

Grades are reported three times a year and a final grade is posted on the permanent record at the end of the year. Please check the [Powerschool Web Site](#) for our school to view your students grades at any given time. If you do

### **Homework:**

Homework should be an extension of class work and should rarely exceed 1/2 hour a night. Parents can help by giving their children a set time and a quiet place for homework.

### **Lost & Found:**

Please label jackets, coats, book bags, lunch boxes, etc. Every year there are dozens of these items, which we give away if they are not claimed. Small or valuable items are placed in the locked glass case by the office. Other items are in a barrel by the office. If your child has lost any items at school, encourage him or her to check the barrel or the glass case to see if the items have been turned in.

### **Medication:**

School personnel CANNOT give children medication without a written "Medication Administration Release" form completed by a physician. This form is available in the school office. The only exception is Tylenol, which will only be given after talking with the parent on the phone. No child should bring over-the-counter medications to be self-administered. State law requires that all such medications, including cough drops, be brought to the office. Asthma inhalers may be kept with the child, but only after the doctor completes the "Medication Administration Release" Form.

### **Nuisance Items:**

Items such as radios, cd players, cameras, video games, water games, etc. are not to be brought to school unless they are required for a special class project. Toys are to be left at home. Food items are not allowed in class, unless specified by the teacher. Pocket knives, toy weapons, etc., are not allowed.

### **Pets:**

Pets may be brought to school with prior approval from the teacher. Parents should take the pet home after showing it to the class. If a pet is found on the school grounds, the office staff will make every effort to contact the owner. If within a reasonable time the owner cannot be found, or a stray animal is showing threatening behavior, the Animal Control officer will be called to take the animal to the Shelter.

### **Phone Calls:**

**Students** will be allowed to call for illness, lunch charges, homework, etc. from their classrooms. A student will not be allowed to call for permission to go home with a friend. Please make those arrangements in the morning before leaving for school. As a common courtesy, please help your child memorize their home phone numbers.

**Parent Phone calls** - we avoid interrupting class instruction as much as possible. If you need to contact a teacher or your student, the secretaries will be glad to take a message.

### **PTA & PAC:**

Valley View has a wonderful PTA. We invite you to get involved! Working in the PTA is a great way to get involved in your child's education.
