- On November 13th our Advanced Learning Lab classes participated in the 28th annual American Mathematics Competitions 8 (AMC 8). Last year the AMC 8 contest involved over 150,000 students worldwide. They participated as part a BYU study on math achievement. We are thrilled that Westfield was chosen to be a part of the study!

- Parents - I want to make a suggestion for a wonderful Christmas gift for your children - especially your sixth graders. How about giving them a UKULELE? The students at our school look forward to 6th grade where they learn how to play them in our Music Specialty classes. The 6th graders are already becoming quite proficient. The PTA helped purchase many of the ukuleles that we are currently using. They were purchased at amazon.com and are the Hilo 2652 Mahogany Soprano ukes. They cost \$40.04 each. Another great deal on amazon.com is the Mahalo U-320C Deluxe Concert Ukulele with a Gig Bag. It costs \$38.45. The Hilo brand does not include a bag. Both ukuleles have a beautiful tone and are a good quality. Please note that I purchase soprano ukuleles, but tune them as baritones so that they match with a guitar. If you have any questions, please contact Susan Curtis in the KIVA at [801-610-8720 extension 138](tel:801-610-8720). I hope you have a musical Christmas!
