Our school scored 570 out of 600. Growth level and
achievement level measured. Growth 300 pts.

Achievement 300 pts.

Westfield Achievement 287 points—one of the highest in the
state.

GROWTH CALCULATION OVERVIEW: Student Growth Percentile
Median percentiles used to compare classes, schools, and
districts. Comparing students to other like students in sub-
groups called cohorts. Westfield's: 283/300! Wow!

Summary: Math the highest area above the state.

Michelle: School Safety led by Salonna

Salonna: Students thoughts regarding Sandy Hook Ele

“I feel for the shooter. I feel for the mothers and
fathers-why my child. I feel for the cops to see the
scene. I feel for children who survived and have to
live with the memory. I feel for the world that must
live in fear.” Carson Beus

Typical gunfight takes place three yards apart in 7 seconds with a 14% accuracy. Teachers with concealed weapons? Yes and no. Jerry Vaughn's husband, a Delta pilot, gave opinion on having co-pilots with weapons. Yes. Footage from Trolley Square—weapons carrier kept shouting that he was a police officer so HE wouldn't get shot. Police department stated locking down in classroom is best idea.

Lockdown drill will be Wednesday at 1:30. Michelle suggested that faculty have a discussion after lockdown. Suggested that protocol for checking in school be addressed. Teachers send parents back to get tag from office if parents come without one.
