

# **Windsor**

## *2011-2012*

### *Title 1 Updates/Information*

#### **What is a Title 1 school:**

Title 1 is a federal education program that aides and helps higher poverty schools by providing additional federal funds to aide in meeting the needs of the students. Windsor Elementary is one of the Title 1 school Alpine School Distict. The Title 1 funds received at Windsor Elementary go towards helping improve student learning in the area of literacy and math.

#### **2011-12 Title 1 Plan Summary:**

Our Title 1 plan is focusing on Literacy and math student achievement. We will have set school wide goals of having 76% of our tested students (grades 3-6) pass the end of level assessments in Language arts and math with a score of 3 or 4. We are focusing all of our efforts to achieve this by having quality tier 1 instruction, appropriate student support for learning and effective collaboration among our teachers. If you would like to review more of our Title 1 plan, please contact the office.

#### **Teacher Qualifications:**

Windsor Elementary has wonderful teachers who are committed to their students. If you would like review and request information regarding your child's teacher's professional qualifications, please contact the office.

#### **Complaint Procedure for Title 1 programs:**

Parents who would like to address concerns, complaints, and alleged discrimination or violations of federal regulations concerning the Title 1 programs experienced by students may register a complaint with the principal.

#### **Parent Involement policy:**

Attached is a copy of the parent involvement policy that was created and reviewed by members of the PTA and School Community Council. This document will be reviewed at our first parent teacher conference.

#### **School Success compact:**

Attached is a copy of the School Success compact that was created and reviewed by members of the PTA and School Community Council. This document will be reviewed at our first parent teacher conference.
