

Dear Windsor Parents,

What a great year we have had here at Winsor elementary! It is truly a pleasure to work with such great students, faculty, parents and school community. I want to thank you for the trust you put in us as a school to work with our wonderful students.

I wanted to let you know about an upcoming parent information meeting that you are invited to attend here at Windsor. Beginning next year, we will begin implementing the new Utah State Core Curriculum here at Windsor. In an effort to help keep you as parents informed about what to expect and what it will look like and how it will impact your students, we have planned a parent information night on Thursday March 22 @ 6:00. During this meeting, we are planning to have a power point presentation and handouts regarding the implementation of the new Utah State Core Curriculum. We are also planning on having some of our teachers in attendance to help answer any questions you may have. I believe the new core curriculum is going to be a good thing for our students and for our school.

I really enjoy the opportunity I have to work with the great Windsor community. Thank you all the help and support you provide us here at Windsor Elementary. Please feel free to contact me if you any questions or concerns.

Sincerely,

Craig Jensen
Principal
Windsor Elementary
