

## *Trust-Land Plan Report 2011-12*

### ***2011-2012 Trust-Land Plan:***

- 76% of students will pass math end of level testing
- 76% of students will pass language arts end of level testing
- Provide quality tier 1 instruction
- Identify students using data (NWEA) and provide appropriate help and interventions for all of our students

### ***2011-2012 Trust-Land Summary:***

- Purchased elmo's and projectors to assist in classroom tier 1 instruction
- Took a group of teachers to a literacy conference to help train and assist in improving student learning
- NWEA testing has been a great resource to assist in identifying areas of need for our students. The NWEA data has also been a great strength to assist teachers in their classroom instruction
- Our school double-dose programs have been very effective and helpful to provide appropriate accommodations to our students
- As a school, we went from 72% proficient in LA in 2010-11 to 81% proficient in Language Arts in 2011-12.
