Prepare-Inspire-Empower Lifelong Learners

Dear Windsor Families,

The holiday season is a fun and exciting time for all of us. It is a time to be with our families and loved ones and to celebrate those things that are important to us. Along with these things, the holiday season provides opportunities to give and serve those who may be in need.

As a school, we have chosen to help teach the students the principle of giving to those who may be in need by participating in a canned food drive. Our Student Council is organizing a food drive that will enable the students to participate and assist the local food banks in providing help for those in need. Our school canned food drive will be held during the week of December 3-7.

As faculty and staff members here at Windsor Elementary, we would like to thank you as parents for allowing us to be a part of your child's education. We truly appreciate the partnership we feel and the help and support we receive from each of you.

From all of us here at Windsor Elementary, we would like to wish you a Merry Christmas and a Happy New Year!

Wishing you the very best this Holiday Season.

Craig Jensen
