Dan Peterson School Stakeholders Report 2011-2012

Dan Peterson School

169 North 1100 East
American Fork, UT 84003

School News

Dan Peterson is happy with the expansion of Horizon School but saddened by the loss of its students, friends and Co-workers. Horizon School is connected to Thunder Ridge Elementary located in Saratoga Springs and will serve the students West of Lehi, reducing travel time on buses in the cold/winter and hot/summer months.

Improvements!

A huge thank you to all those who participated in this years Halloween Carnival, it was a great success! \$2,500 was raised in our efforts to purchase a marquee to share information with passer byes on the new Utah County Blvd which will soon be completed!

We had a 5% increase in our Science Mastery during the Spring 2011 UAA going from 66%-71%. Way to go Students!

Construction on four new classrooms and a playground on the south side of the school is complete! We are fully equipped with a sensory room and a new media center to improve student literacy and increase exposure to various types of media. A big thank you to the bond passed by patrons of Alpine School District.

Dan Peterson has partnered with UVU with a Dental Fair, Field Day, Valentines, Halloween, and Christmas Dance. The Volunteer & Service-Learning Center is dedicated to increase social and cultural awareness, build a sense of community commitment, and extend meaningful educational opportunities that increase knowledge and enhance academic skill. We love our volunteers and thank them for all they do!
