

HORIZON SCHOOL

HOME OF THE HUSKIES, EST. 2011

Horizon and ATEC West Community,

Our school is an amazing place and how honored I feel to support our students, staff, and families! At Horizon School and ATEC West, we are dedicated to nurturing a supportive, inclusive learning environment that champions the growth, skills, and achievements of each student. Our commitment is to empower students with diverse abilities, ensuring they feel valued, respected, and capable as they develop essential life skills for independence and community involvement.

Every member of our team is passionate about fostering a positive, safe, and engaging space where students' unique strengths are celebrated and nurtured. Through specialized programs, individualized attention, and innovative approaches, we focus on creating meaningful experiences that prepare our students for the future.

Thank you for being part of our vibrant and caring community!

Go Huskies!

Dan Heaps, Principal

HORIZON AND ATEC WEST
