**Learning for now and
for the future**

Teacher Collaboration

Teachers meet as teams every Monday to answer four essential questions:

- What do we want students to learn?
- How will we know they have learned it?
- How will we respond when students aren't learning?
- What about students who have already learned?

School Land Trust 2016-17

Utah's School Land Trust Administration awarded \$60,082 to Springside Elementary. These funds are being used to meet school goals in Literacy and Math. This includes:

- Student Computers (two mobile labs)
- Teacher Assistants
- Professional Development Opportunities
- Mastery Connect Software
- Literacy Resources

Community Council

The Community Council approves local School Land Trust Grant proposals to address academic needs. The Council also has responsibility for safe routes, digital citizenship, and other programs/concerns.
