

## **Springside Community Council Meeting Minutes**

April 9, 2019

### **Attendees:**

Gary Gibb	Tammy Galbraith
Leah West	Devon McPherson
Allison Rollins	Susan Burt (notes)
Mary Alice Briggs	

Motion to approve last week's minutes. Motion to approve: Leah West  
2<sup>nd</sup>: Devon McPherson. All were in favor.

### **Agenda items:**

#### **1) Review School Trustlands Grant.**

-Principal presented draft to council members, discussion.

-Greatest academic need-Reading, Math, Science

- Meeting Benchmarks for 2019-2020
- Using the data to reach Benchmarks
- Assessments/ Interventions/Aide time
- Professional Development
- Teacher Teams
- Reaching Rise Goals
- Budget proposal \$100,387

-Mary Alice asked about Aide Utilization. Tammy Galbraith suggested we train aides properly. Tier 2 instruction is facilitated by aides, sometimes by taking the class, sometimes by providing intervention. Making a model for the aides to utilize-each grade is responsible to create a model. Consistency and training is needed for aides to be effective.

-Devon McPherson brought up the BER training. Gary advised that the BER training will continue. However, the school is working with an after-school meeting with scaled down model for our division for all grades. 2<sup>nd</sup> grade has requested to participate in the district model of BER training next year.

A motion to approve the School Land Trust Grant was made by Tami Galbraith, second by Allison Rollins. Discussion invited. Because several members are absent the discussion was left open and another motion was made to discuss and vote by email to approve the grant proposal.

Motion by Leah Thompson, second by Devon McPherson. Mr. Gibb will send an email to all council members with the draft and request discussion and approval via email. He will also send out the electronic Council Membership and Signature form.

**\*\*April 12, 2019**

Voting by email was unanimous with a yes vote from every member of the council to approve the trustland draft proposal. Email was sent out on Wednesday, April 10. All members confirmed their vote by Thursday, April 11. There was no further discussion or questions via email. The signature form was also completed via email by all council members.

## **2) Safe Routes to school**

Web link is not accurate. Need to have web master add new link (Gary to follow up)

- New Homes to the east-add safety zones/routes
- Speak with city crosswalk coordinator regarding where guards park so as not to block the crosswalk.
- Safe points of access- Painting or signs for Crosswalks at kindergarten parking lot where students cross the entrance on sidewalk.
- Crosswalk behind school may be needed where students coming from east enter at back gate. Is this a possibility with city? Crossing guard or other device for safe crossing?
- Invite city engineer to meet with principal and council members for options for safe access points.

## **3) Council Nominations 2019-2020**

- Invite neighbors/friends to nominations
- Invite staff to nomination
- Council members who will finish term this year: Jason Eyre, Allison Rollins, Devon McPherson
- 2 Parent Council Seats open, 1 teacher seat.
- Mr. Gibb will send information for nominations to all school patrons in early May.

## **Motion to adjourn**

First- Tammy Galbraith

Second- Allison Rollins
