

SCC Minutes Jan. 11, 2016

In attendance: Janet Wynn, Heather Turner, April Felix, Carrie Wilson, Brett Partridge, Stephanie Thomas, Michelle DeMille, Reed Willmore, Angel Holmes, Jacquelyn Eckert, Jeremy Brunner, Amber Bonner

Meeting opened 4:45

Reviewed minutes- Minutes were approved

Action items completed

Jeremy emailed the mayor about a no soliciting zone

First grade got more aide time

Jeremy went over the first draft of the District requirements for our Digital Citizenship Report that he and Brett put together. Amber suggested adding a paragraph at the end letting parents know if they have any questions about how technology is used in their child's classroom teachers would more than willing to answer any questions.

The report will be sent out to the school population as an attachment to the digital newsletter and there will be a link on the schools website. Jeremy will make sure the link will be able to be opened on cell phones.

Discussed parents internet safety training:

Suggestions:

*Have 6th graders make videos for parents to watch on the school's website

*Gather questions from parents on what their questions are

*Education on how the kids are getting around restrictions

*Start small-posters on walls, hall tv, small bits of information on keeping kids safe during SEP's

*Top 10 things to know to protect your kids

Ideas for Trustland's plan 2016-2017:

- Aide time
- LCD tv's/Projectors/add to current technology
- Technology training for teachers-then they could come back and train the teachers
- Reflex/typing program

District SCC overview

Amber can get anyone a schedule if they would like to attend

There will most likely be a bond next year

Background checks are changing-a Federal background check will be needed if they are out of sight of a teacher, helpers in the hall, field trips, ect.

Adjourned 4:55

Action Items:

Jeremy

-reminder home for typing contest

-will make sure the link to the digital citizenship report is able to be opened on phones.

-find information on alternatives to reflex and perhaps a typing program that the school could pay for

Brett will look into finding someone to put on an education night for parents for the next school year.

Stephanie and Brett will ask their friends who work in the digital fields for the top things parents should know to keep their kids safe on technology.

Amber-take back to District SCC that Resource and Special Ed need more district aide time
