MEET THE ADMINISTRATORS

Welcome to another great year at Cedar Ridge Elementary! This will be my 7th year as principal here, and I continue to be amazed at how great this school community is.

I have worked at four other schools during my 16 years as an educator and I have never seen such an excellent combination of students who come to school ready to learn; parents who have such high expectations for their students; or dedicated and professional teachers.

I am dedicated to working with parents and teachers to help your child succeed. I am passionate about our country and want to do everything I can to prepare each child to be a happy and

successful grown up. I am excited to see so many new faces joining us this year and look forward to working with you and your child. Thank you!

Sincerely,

Jeremy Brunner
Principal

Happy New School Year!!!! This year is going to be amazing! I have really enjoyed getting to know the students and parents at Cedar Ridge. Continuing the Cedar Ridge tradition of excellence is one of my top goals. Fostering an environment that invites students to succeed, grow, love learning, and feel safe is a high priority of mine. I am looking forward to working with parents and teachers to achieve this.

My journey to becoming an Assistant Principal at Cedar Ridge began as a classroom teacher in Utah after graduating from Utah State University. After three years of teaching fifth/sixth grade in Utah, I moved back to my native Virginia roots to be closer to family and continue teaching. The majority of my career was spent teaching in the Arlington Public Schools as an ESL specialist. During this time I attended The University of Virginia ultimately receiving a Master of Literacy. For the last two years I have been a part of the Alpine School District team while completing graduate work in administration. This will be my 17th year as an educator.

My experiences have added to my passion for helping all students to unlock their love for learning and to feel success. I look forward to working with the Cedar Ridge community in this endeavor.

Sincerely,

Alicia Poulton
Assistant Principal
