September 15
4:00pm-8:00pm

organized by
Thunder Ridge Elementary PTA

PTA Member Spotlight

Suzanne Schiess
PTA Teacher Vice President

Suzanne is an important member of the PTA Executive Board, as she represents the interests of the Teachers at our school!

She loves being involved with the parents to make exciting programs and activities for students and families. Three of her children have attended Thunder Ridge, and she has been a Thunder Ridge teacher for 8 years, currently teaching 2nd grade. She loves reading, going to the movies, crafting, and doing things with her family.

PTA President's Corner

What a great start to the school year! Even though our kids have had hurdles thrown at them the past 6 months, they have been resilient and excited to come back to school. Here in the PTA we are constantly talking about what can we do for the children this year? They are our number one priority! Last month we had Fitness Week, October will be Red Ribbon Week, and November is Patriotic Week. Our volunteer parents take the time out of their busy life to make these activities possible - and they always do an amazing job!

We can't do any of these things fun event without our members. By signing up or even donating your time we can make school for our kids an even better place!
