Welcome to Deerfield!

Learning and Achievement for ALL students!

Deerfield Elementary is an AMAZING school with great students, parents, teachers, and staff! Deerfield offers a variety of academic interventions and enrichment opportunities, including Double Dose, Star Reading, and the Soaring Eagle Award. We also have several extracurricular activities such as Band, Mile Club, Play, Ballroom, and Writing Club!

We know parents like to stay informed about what is happening at school. Here are some of the ways that Deerfield does this: Wednesday Folders - any notes, flyers, etc. will come home on Wednesdays; Deerfield Dispatch - each Tuesday I will send an e-mail with announcements, upcoming dates, and other important information; the Deerfield PTA Facebook page; and the Deerfield website (deerfield.alpineschools.org).

I feel so fortunate to be the principal of such a terrific school! Don't hesitate to contact me if you have any questions, at (801) 610-8106 or at cknadler@alpinedistrict.org.

~Caroline Knadler, Principal

Recess/Bad Weather Days

When the temperature reaches 20 degrees (with the wind chill taken into effect) or it is steadily raining/snowing, we will call for inside morning/recess. A blue flag will be posted outside the gym hallway doors letting students know it is an inside morning when they arrive. All students (1st - 6th) will go into the gym until the bell rings and their teachers pick them up. Kindergarten students should go to their classroom on inside days. We also check the air quality and will call an inside day if the quality is poor.

Parent Involvement

At Deerfield, we are lucky to have two parent organizations that support us as well as help us improve! The PTA runs a number of fantastic programs, such as Take Home Reading, Red Ribbon Week, the School Play, parties and more! Be sure to join the PTA at Back-To-School Night! The School Community Council (SCC) helps write the School Improvement Plan and determines how the Trustland Money will be used to improve student learning. Look for information about taking part in the SCC in September each year.

Parent Drop off and Pick up Guidelines

Safety is very important to all of us. Please follow these guidelines to insure the safety of our students, staff and patrons.

- Upon entering the school driveway, please maintain a single file line in the right hand lane. The left lane is reserved for cars exiting the school. Vehicles should pull up to the most forward spot before stopping. Please do not block the crosswalks. The bus lane is reserved for buses 15 minutes before and after school for both tracks.
- Students should enter and exit vehicles on the curbside of the vehicle.
- If you need to come into the school for any reason, please park in the parking lot.
- If parents park on the street, students should use the sidewalk near the crossing guard and not cut through the parking lot. Students dropped off on the north side of the street should cross using the crossing guard.
